

GETTING TO TECATE: Driving Directions from San Diego

DIRECTIONS: Tecate is easily accessed from California State Route 94 (CA-94), which runs west to east from San Diego to Tecate, California. Beginning in downtown San Diego, CA-94 turns from a multi-lane freeway to a rural two-lane highway. Once you are in Spring Valley follow the sign for CA-94 Campo Road which turns toward the right. You'll take the 94 through Jamul, where you'll follow the signs for another right turn – Dulzura and Barret Junction until you see a sign for Tecate. Just pass this sign, there is a turnoff to the RIGHT onto CA-188 South (Tecate Road). Continue for two miles into town. You'll see a number of public parking lots near the border. **DO NOT ENTER THE MEXICAN BORDER CROSSING INSPECTION STATION!** Choose whichever lot you'd like, most charge \$5 - \$10/US (CASH ONLY) for 24-hour parking and are very secure. **GIVE YOURSELF ABOUT AN HOUR FOR THE DRIVE.**

DESIGNATED MEETING POINT:

We will meet you on the US side of the Mexican border at 9AM sharp at the end of the road before the border (see below for exact location at the BAJA DUTY FREE store, located in a small strip mall on the right side of the road). We will then walk across the border together (have your passport ready in case it's asked for) and meet our driver on the other side, in Tecate, Mexico.

Meeting Point Aerial

Baja Duty Free is in the strip mall on the right side of the road, directly on US side of the border.

Meeting Point: Baja Duty Free

We will meet in front of the Baja Duty Free at the strip mall.

AT THE END OF THE TOUR:

Our driver will drop us off at the pedestrian crossing back into the US, where we will walk across together and through the US Customs and Border Checkpoint station. The Tecate pedestrian crossing is rarely busy and we should be across in a matter of minutes. **PLEASE BRING AND HAVE YOUR PASSPORT READY!** It's also always a good idea to have a secondary form of ID such as a valid driver's license or state ID card.
